Girls Inc. Smart Ups Participants are **Entrepreneurs** of the Future

girls
inc.

of Orange County

DOLLARS TO IMPACT

Your investment in the Smart Ups Business Showcase and Shark Tank directly equips young entrepreneurs with the skills they need to thrive in business and beyond. Through hands-on learning, girls develop critical competencies in:

- **Leadership** - Building confidence and learning how to lead teams and projects.
- **Financial Literacy** – Understanding budgets, pricing strategies, and managing profits.
- **Branding & Marketing** – Designing logos, campaigns, and strategies to promote their businesses.
- **Communication & Pitching** – Perfecting their elevator pitch and delivering persuasive presentations to “Shark” investors.
- **Technology & Innovation** – Integrating digital tools to enhance their business models.
- **Networking & Collaboration** – Learning the value of partnerships and community support.

Smart Ups has served over

1,400
girls

94%

of Smart Ups participants know how to prepare a pitch for investors for a product/service/business.

91%

of Smart Ups participants understand the different ways to share ownership in a business, such as selling part of it to an investor.

IMPACT THAT LASTS

After completion of the Smart Ups program, many girls create their own businesses, selling products online, in person, and Girls Inc. events.

Kylie, Sister Slimes, sells homemade slime.

Christalynn, Lynn Loves Beads, sells handmade jewelry.

Lana sells used designer clothing and accessories.
