Smart Ups

Smart Ups Summer Entrepreneurship Program and Shark Tank Showcase June 2025

Shark Tank Showcase, Friday, June 27th
Location: Santa Ana College
Business Demos 11:00am-12:00pm
Live Shark Tank Showcase 12:00pm-1:30pm

Overview

Smart-Ups, a transformative summer program designed to empower young girls 3rd through 6th grade with confidence, leadership, and entrepreneurial skills. This program offers a dynamic learning experience for girls with the opportunity to create their own business, run their own businesses, and gain valuable knowledge in marketing, advertising, budgeting, and much more. The entrepreneurship program takes place during the month of June

The program culminates in a **Shark Tank Showcase**, similar to the show, the program encourages participants to develop innovative business ideas and pitch them to a panel of adult judges, fostering a spirit of creativity, resilience, and strategic thinking. Throughout this engaging platform, girls gain real-world experience in entrepreneurship and gain the confidence to pursue their dreams.

College Bound

College Bound & College Shower Celebration
May 16, 2025

Overview

College Bound is a year-round program that helps high school girls set goals, become competitive applicants, and find the best path to higher education. As part of this initiative, Grad Lab supports seniors in high school by providing them with staff and mentors that will support to refine goals, strengthen applications, and prepare for college success throughout the 6 months of the program. This program culminates in a **College Shower**, where we celebrate over 170 girls going off to college. Each girl will receive a tote filled with items that will support her journey to college.

OTHER WAYS TO GIVE

MATCHING PROGRAM

Did you know your generous donation could go even further? Many companies offer matching gift programs that double or even triple the impact of your support. If your organization participates in a matching program, don't forget to submit your donation for a match! It's a simple way to maximize your contribution and help us continue empowering girls to be strong, smart, and bold.

BENEFIT EVENTS

Looking for a meaningful way to give back? Host an event that benefits Girls Inc. of Orange County and make a lasting impact! Whether it's a golf tournament, holiday party, corporate gathering, or community event, you can help us raise funds and awareness to inspire girls to reach their full potential. Your event can change lives—be part of the movement to support strong, smart, and bold girls in our community.

YEAR END GIVING

As we approach the end of the year, we invite you to make a meaningful impact on over 9,000 girls through your support. Your contributions help us provide essential services and programs that change lives.

STOCKS

By donating appreciated stocks, you can help us provide essential resources while also benefiting from potential tax deductions. Your generous support will directly impact the lives of the girls we serve.

MISSION MOMENTS

"This program has had a profound impact on my college career, providing me with invaluable support and opportunities for personal growth. Through this experience, I've come to realize the multitude of career paths available to me and the vast array of opportunities waiting to be explored. The program not only nurtured my academic and professional development but also helped me understand myself better as a person. It encouraged me to step out of my comfort zone, take on new challenges, and embrace the diversity of options in front of me."

- Catherine, attending University of California, Irvine in Fall '24, Majoring in Public Health

"Being able to receive advice on our essays from our mentors was critical to my application season. It felt great to be able to receive ways to improve and have a fresh set of eyes read my essays. It made me feel more confident about what I am sending to colleges and just made the application season less stressful. Grad Lab has been an incredible program which has truly allowed me to put forth the best version of myself onto my application. The program held me accountable and kept me from procrastinating. Without this program, I know I wouldn't have been able to achieve the results I have."

- Noelle, attending University of California, Los Angeles in Fall '24, Majoring in Biological Science, \$20,000 Gena Reed Family Foundation Scholarship recipient
